FS2 Homework

2nd November 2017

Name: _____

Activity: Practise correct letter formation of the letter L and tricky words 'I, the, to'.
Complete page 22 in Maths Workbook.

Materials: pencil, accompanying letter/word formation sheet and Maths Workbook.

In Phonics this week, we have been reviewing the sounds **l** and **ll**, recognising that **ll** rarely comes at the beginning of a word. We have also been learning how to form these letters correctly and continued to practise recognising and writing tricky words. In Maths, we have been learning about height, length and capacity.

Letter and Word Formation Worksheet: Give your child the attached sheets and a pencil and let them practise letter formation independently. They can trace over the letters on the first line and then you can support them with writing them on the second line. Remember to start on the dot provided. Practise reading and then writing the tricky words on the worksheet. Encourage your child to tell what the tricky words are as they write them.

Maths Workbook: Page 22 in the Maths workbook: In question 1 your child needs to tick the correct box corresponding to the picture, question 2 your child will need to count how many blocks are in the picture and write the number in the space provided. They will need your support to read the questions.

Talk Homework:
This week we have introduced the new topic "Treasure" and talked about what we think treasure is. Here are some questions to discuss with your child:

1. What do you think treasure is?
2. Where do you think treasure can be found?
3. What is something that is special to you, your treasure?
4. Who in your family do you treasure? Why?

What did your child enjoy?

What does your child need more practice doing?

PLEASE RETURN THE HOMEWORK ON SUNDAY, THANK YOU

Practise writing the letters l and ll.

Trace over these letters and then try writing your own.

Practise writing the tricky words.

Trace over these words and then try writing your own.

I I I I I

Write the word _____

to to to to

Write the word _____

the the the

Write the word _____
