

# The Foundation Stage 2 Newsletter

26<sup>th</sup> November 2017

## Treasure

We have continued our topic with a focus on our 'Winter Show' which is all about pirates and mermaids! We have enjoyed learning how to become different characters and discussed the props we will need for the stage. We have also practised singing and dancing for our show. We also made our very own 'Treasure Chests' using lots of jewels and glitter.

## Literacy

This week our focus text has been the play, **Pirates and Mermaids**, which is also the play that FS2 will be performing for the Winter Show. We have enjoyed learning about the play, understanding the plot and characters, and practising our drama skills.

In **Phonics**, we introduced the concept of digraph sounds, recognising that two letters can make one sound. We have learnt the sound **qu** and we have also learnt the tricky words **are** and **you**.

## Arabic

### أعزائي أولياء الأمور: بعد التّحية

#### خلال هذا الأسبوع

- قمنا بالمراجعة على الحروف السّابق دراستها مع الفتحة.
- تعرّف الأطفال على صوت حرف ( ض ) مع الفتحة وكيفية نطقها وقام كل طفل بالتدريب على قراءة وكتابة كلمة ( ضابط ) .
- تدرب الأطفال على تمييز شكل حرف ( ض ) في الكلمة من خلال بعض الكلمات مثل ( ضابط - ضبع - مضرب - بيض ) .
- **الواجب :**  
مُرسل مع الطّفّل ورق عمل للتأكيد على حرف ( ض ) .

كُلّ عامٍ وأنتم بخير  
بِمُناسِبَةِ المَوْلِدِ النَّبَوِيِّ  
الشَّرِيفِ

Sitara Trip dates

Sunday 3rd December: **FS2R, G, B and M**

Monday 4th December: **FS2U, W, H and C**

## Maths

This week, we have been solving addition problems by finding the total of two groups. We have been reading and writing number sentences and have also been partitioning numbers to ten.

$$1 + 2 = 3$$

## Reminders

- The school is closed on **Thursday 30th November**.
- Please send in spare Winter clothes and we will send home the Summer ones.
- Please send in plastic bottles for our 'message in a bottle' activity next week.

**Website of the Week:** Visit <https://www.education.com/games/kindergarten/math/> to practise addition games with your child.

**Using a variety materials to explore addition and partitioning in Math.**
