Safety around computers	Cycle (2	Content Description	Assessment
1 Safety around computers 2 E-Safety and Cyber Bullying Short Assessment 3 Computer Components (What is a computer?) 4 Computer History Quiz 5 Scratch Basics (Building your first program) 6 Scratch Development Short Project 7 Assessment/Revision Week (Topic Coverage) EoT Assessment 1 3D Design Basics 2 3D Design Methods Short Project 3 3D Design Project 4 Website Authoring – Planning and Web Site Basics Homework 5 Website Authoring – Website Design 6 Website Authoring - Project Quiz 7 Assessment / Revision Week (Topic Coverage) EoT Assessment 1 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision 4 TB Programming	weeks)		
2 E-Safety and Cyber Bullying 3 Computer Components (What is a computer?) 4 Computer History 5 Scratch Basics (Building your first program) 6 Scratch Development 7 Assessment/Revision Week (Topic Coverage) 1 3D Design Basics 2 3D Design Methods 3 Design Project 4 Website Authoring – Planning and Web Site Basics 5 Website Authoring – Website Design 6 Website Authoring – Project 7 Assessment / Revision Week (Topic Coverage) 2 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision 4 TB Programming	<i>,</i>	INSET	
Computer Components (What is a computer?) Computer History Scratch Basics (Building your first program) Scratch Development Assessment/Revision Week (Topic Coverage) Short Project EoT Assessment Design Basics Short Project Short Project Short Project Short Project Homework Website Authoring – Planning and Web Site Basics Website Authoring – Website Design Website Authoring – Project Assessment / Revision Week (Topic Coverage) Digital Literacy – Word Processing and Publishing Digital Literacy – Word Processing and Publishing Cont. EoY Test / TB Programming / Revision EoY Assessment TB Programming	1	Safety around computers	
4 Computer History 5 Scratch Basics (Building your first program) 6 Scratch Development 7 Assessment/Revision Week (Topic Coverage) 8 Short Project 9 Short Project 1 3D Design Basics 2 3D Design Methods 3 3D Design Project 4 Website Authoring – Planning and Web Site Basics 5 Website Authoring – Website Design 6 Website Authoring - Website Design 7 Assessment / Revision Week (Topic Coverage) 8 EoT Assessment 9 Digital Literacy – Word Processing and Publishing 9 Digital Literacy – Word Processing and Publishing Cont. 9 EoY Test / TB Programming / Revision 1 TB Programming	2	E-Safety and Cyber Bullying	Short Assessment
Scratch Basics (Building your first program) Scratch Development Assessment/Revision Week (Topic Coverage) Both Assessment 3D Design Basics 3D Design Methods 3D Design Project Website Authoring – Planning and Web Site Basics Website Authoring – Website Design Website Authoring - Project Assessment / Revision Week (Topic Coverage) Digital Literacy – Word Processing and Publishing Digital Literacy – Word Processing and Publishing Cont. EoY Test / TB Programming / Revision EoY Assessment EoY Assessment EoY Assessment	3	Computer Components (What is a computer?)	
Short Project Assessment/Revision Week (Topic Coverage) EoT Assessment 3D Design Basics 3D Design Methods Short Project Website Authoring – Planning and Web Site Basics Website Authoring – Website Design Website Authoring - Project Assessment / Revision Week (Topic Coverage) Digital Literacy – Word Processing and Publishing Cont. EoY Assessment TB Programming	4	Computer History	Quiz
Assessment/Revision Week (Topic Coverage) EoT Assessment 1	5	Scratch Basics (Building your first program)	
1 3D Design Basics 2 3D Design Methods Short Project 3 3D Design Project 4 Website Authoring – Planning and Web Site Basics Homework 5 Website Authoring – Website Design 6 Website Authoring - Project Quiz 7 Assessment / Revision Week (Topic Coverage) EoT Assessment 1 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision EoY Assessment 4 TB Programming	6	Scratch Development	Short Project
3 Design Methods 3 Design Project 4 Website Authoring – Planning and Web Site Basics 5 Website Authoring – Website Design 6 Website Authoring - Project 7 Assessment / Revision Week (Topic Coverage) 1 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision 4 TB Programming	7	Assessment/Revision Week (Topic Coverage)	EoT Assessment
3D Design Methods 3D Design Project Website Authoring – Planning and Web Site Basics Homework Website Authoring – Website Design Website Authoring - Project Quiz Assessment / Revision Week (Topic Coverage) Digital Literacy – Word Processing and Publishing Digital Literacy – Word Processing and Publishing Cont. EOY Test / TB Programming / Revision EOY Assessment TB Programming			
3 3D Design Project 4 Website Authoring – Planning and Web Site Basics Homework 5 Website Authoring – Website Design 6 Website Authoring - Project Quiz 7 Assessment / Revision Week (Topic Coverage) EoT Assessment 1 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision EoY Assessment 4 TB Programming	1	3D Design Basics	
Website Authoring – Planning and Web Site Basics Website Authoring – Website Design Website Authoring - Project Assessment / Revision Week (Topic Coverage) Digital Literacy – Word Processing and Publishing Digital Literacy – Word Processing and Publishing Cont. EoY Test / TB Programming / Revision EoY Assessment TB Programming	2	3D Design Methods	Short Project
5 Website Authoring – Website Design 6 Website Authoring - Project Quiz 7 Assessment / Revision Week (Topic Coverage) EoT Assessment 1 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision EoY Assessment 4 TB Programming	3	3D Design Project	
6 Website Authoring - Project Quiz 7 Assessment / Revision Week (Topic Coverage) EoT Assessment 1 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision EoY Assessment 4 TB Programming	4	Website Authoring – Planning and Web Site Basics	Homework
Assessment / Revision Week (Topic Coverage) Digital Literacy – Word Processing and Publishing Digital Literacy – Word Processing and Publishing Cont. EoY Test / TB Programming / Revision EoY Assessment TB Programming	5	Website Authoring – Website Design	
1 Digital Literacy – Word Processing and Publishing 2 Digital Literacy – Word Processing and Publishing Cont. 3 EoY Test / TB Programming / Revision EoY Assessment 4 TB Programming	6	Website Authoring - Project	Quiz
Digital Literacy – Word Processing and Publishing Cont. EoY Test / TB Programming / Revision EoY Assessment TB Programming	7	Assessment / Revision Week (Topic Coverage)	EoT Assessment
Digital Literacy – Word Processing and Publishing Cont. EoY Test / TB Programming / Revision EoY Assessment TB Programming			
3 EoY Test / TB Programming / Revision EoY Assessment 4 TB Programming	1		
4 TB Programming	2	<u> </u>	
	3	EoY Test / TB Programming / Revision	EoY Assessment
End of Year	4	TB Programming	
		End of Year
