

Cairo English School

Monthly Overview

Year 3

April 2019

English, Geography, Art

The children will be combining their work in English on non-chronological reports with their work in Geography on countries from South Africa all the way north to Iraq. Alongside this they will be producing masks similar to those made in of those countries in Art.

Computing

We are working with 'Scratch' again. Please encourage the children to practice at home to create their own programs.
<https://scratch.mit.edu/>

Daily/Weekly

The children will receive their homework and instructions on Tuesdays and it should be returned by the following Sunday. Any questions about homework should be directed to the class teacher on Wednesday or Thursday.

Believe it or not there are only three weeks until the end of term.

We will be working right up until the end with Week Without Walls being a fantastic way to round off the term.

I hope you all have a chance to take a break from work with your children and enjoy some time together. They have been working very hard and deserve a rest!

Yours
The Year 3 Team

Main School

Mirage City, New Cairo, Egypt

Week Without Walls

In the last week of term, in two weeks' time, the children will be enjoying a week of trips out of school and different types of challenges when they are in school.

They will be visiting;

Family Park, Rehab,

Science Crafts to work on the science curriculum in a fun and creative way;

Grip N Climb for an adventurous sport experience and

Al Azhar Park for a whole Year Group Picnic.

We have tried to find a range of activities so everyone enjoys the week whilst also supporting their learning and experience. I know they will have a good time!

Please send in the money for the trips as soon as possible so we can finalise arrangements with the sites we are going to.
