

Settling-in Fun in FS2!

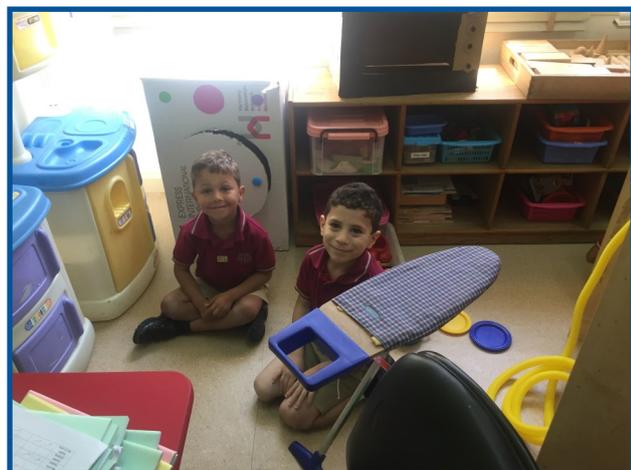

Fun with letters in the sand!

Building tracks for the train...choo choo!

Constructing using our wooden

Just waiting for the washing to be finished in our home corner!

14 September 2017

Dear Parents,

Welcome Back! The children have had a fantastic first two weeks of school and are settling in beautifully to FS2. They have enjoyed meeting their new teachers and learning all about the class rules and routines in FS2. They have enjoyed reuniting with their old friends from FS1 and making some new friends too. They have been very busy constructing using various materials as well as completing a range of multi-sensory activities. The children have engaged imitating home life by cooking, washing and talking on the phone in our class home corners! They were especially enthusiastic to play in the pirate ship in our FS2 garden!

We have spoken to the children about the importance of following our school and classroom rules. Of being kind and treating others with respect, working hard, having good attendance, being on time, and wearing correct school uniform. Please reinforce these messages at home with your children.

Thank you to all the parents that attended our 'meet and greet' last Thursday. It was lovely meeting you and we look forward to working closely with you throughout the academic year. We would also like to thank the parents that returned the **health forms, home-school agreements** and sent in a **spare set of clothes!** If you haven't done so already would you please send in those items with your child on **Sunday**, at the latest please!

We are looking forward to a fantastic year ahead,

The FS2 Team

Talk Homework: *Talk with your child about his/her first two weeks of school. Here are a few questions to guide you:*

1. What is the name of your class flower?
 2. What is your teacher's name?
 3. Can you remember your class rules?
 4. What is your favourite part of FS2 so far?
 5. Who is a new friend that you've made this week?
