Use these questions as a guide to help you talk to your child about Sea Animals. Please use English when doing so to practice conversation skills.

1. What sort of animals live in the Ocean? Can you name some?
2. Can you name any of the Oceans?
3. Are all sea animals dangerous?
4. What happened when we experimented with oil and water?
5. Why did the oil separate from the water?

Every week the children write a sentence about what they did at the weekend in '**Weekend News**'. Help to prepare them for this by asking these questions on Saturday night. Motivate the children to answer their question in full sentences.

What did you do at the weekend?

Did you take part in any activities or visit a new place?

What did you enjoy most about the weekend? Why?

What did your child enjoy?

What does your child need more practice doing?

PLEASE RETURN THE HOMEWORK ON SUNDAY, THANK YOU!
