Literacy

This week in **Literacy**, we read the book 'Bringing the Rain to Kapiti Plain', a beautifully illustrated book capturing the essence of the African plains. We discussed what a savannah is and what is unique about the habitat of the savannah. The children were then able to research a savannah animal in order to complete the next page of their zigzag animal fact books.

In **Phonics**, we learnt the trigraph sound **igh**, and the digraph sound **ur**, we have also continued to revise all previously taught digraph sounds. Please continue to revise the words and sounds in the blue Phonics book.

Topic

This week we looked at Savannah's (grasslands) which featured in the story book 'Bringing the Rain to Kapiti Plain'. We located Kenya on the world map and talked about the animals that might live there. We then created some amazing **sunset/silhouette pictures** and experimented mixing paints to find different colours.
